Dear Mr. Morabito:

I am writing to you in support of the Mendocino Land trust's Application for funds from the State Coastal Conservancy (SCC), to construct public access improvements on their property at Navarro Point on the Mendocino County coast.

This property is the gateway to the Mendocino Coast; it is the first sweeping stretch of coastline/ocean seen by people traveling west on Highway 128, and then north on Highway 1. With assistance from the State Coastal Conservancy, the Mendocino Land Trust (MLT) has completed a management plan, obtained necessary permits, and commissioned an engineered design for the parking lot at Navarro Point. The current grant funds requested from the SCC will enable MLT to complete construction of an 8-car parking lot, trails, signs, and benches to facilitate public access at Navarro Point.

Officially opening this 55-acre property to the public will be beneficial to the people of California and tourists all over the world who visit the beautiful Mendocino Coast each year. Thank you for considering this proposal and for your continued support of public access and coastal preservation in California.

Sincerely,

PATTY BERG

RE: Navarro Point Public Access Construction Project, Mendocino Land Trust

Dear Mr. Morabito:

I am writing to express my support for the Mendocino Land Trust's application for funding to construct public access improvements on their property at Navarro Point, located on the Mendocino Coast.

This property is the gateway to the Mendocino Coast; it is the first sweeping stretch of coastline/ocean seen by people traveling West on Highway 128, and then North on Highway 1. With assistance from the State Coastal Conservancy (SCC), the Mendocino Land Trust (MLT) has completed a management plan, obtained necessary permits, and commissioned an engineered design for the parking lot at Navarro Point. The current grant funds requested from the SCC will enable MLT to complete construction of an 8-car parking lot, trails, signs, and benches, to facilitate public access at Navarro Point.

Officially opening this 55-acre property to the public will be beneficial to the people of California and tourists from all over the world who visit the beautiful Mendocino Coast each year.

Thank you for considering this proposal and for your continued support of public access and coastal preservation in California. If you have any questions, please do not hesitate to contact me in my Capitol office at 916-445-3375.

Sincerely,

WESLEY CHESBRO

Paul Morabito, Chairman
State Coastal Conservancy
1330 Broadway, Suite 1100
Oakland, CA. 964612

Dear Mr. Morabito:

I am writing in support of the Mendocino Land Trust's application for funds from the State Coastal Conservancy (SCC), to construct public access improvements on their property at Navarro Point.

Navarro Point is the Highway One gateway to the Mendocino Coast. It is the first sweeping stretch of coastline seen by people traveling west on Highway 128 and north on Highway 1. Previous assistance from the State Coastal Conservancy has enabled the Mendocino Land Trust (MLT) to complete a management plan, obtain necessary permits and commission an engineered design for the parking lot at Navarro Point. The current funding request will enable MLT to complete construction of an 8-car parking lot, trails, signage and benches to facilitate public access at Navarro Point.

Opening this 55-acre property to the public will be beneficial to both the people of California and tourists from all over the world, who visit the beautiful Mendocino Coast each year.

Thank you in advance for your consideration of this proposal. Public access and coastal preservation is vital to both visitors and to the residents of the Mendocino Coast.

Sincerely,

MIKE THOMPSON
Member of Congress
